

T&O Training Post Summary

Trust

Gateshead NHS Trust

Trainer name(s)

Mr Paul Banaszekwicz
Mr Jonathan Loughead

Job Summary

This post offers training from two experienced trainers with a special interest in lower limb arthroplasty surgery. The post is suitable for both senior and junior trainees as training opportunities will be tailored to the needs of the individual trainee. The trainee should gain sufficient exposure to undertake arthroplasty to level 3 or 4 depending on previous experience . There is also the opportunity to be involved with hip arthroscopy.

Both surgeons have a high volume arthroplasty practice and there will be exposure to primary and complex hip arthroplasty, primary and complex primary knee arthroplast, revision hip [and knee surgery

Orthopaedic trauma is managed according to a trauma week system and the trainee will have the opportunity to develop his or her trauma management skills.

Mr Loughead teaches regularly on regional courses. Mr Banaszekwicz contributes to a wide range of educational meetings and courses.

There is a monthly journal club and Friday afternoon departmental teaching programme. The trainee will be expected to contribute to the department's bi-monthly audit & governance meetings and will have the opportunity to become involved with departmental research.
