

T&O Training Post Summary

Trust

Newcastle Hospitals NHS Foundation Trust

Trainer name(s)

Trauma 3
Mr Bliss, Miss Arshad

Job Summary

This job exposes trainees to the full range of orthopaedic trauma delivered in conjunction with colleagues as part of the MTC.
Miss Arshad is fellowship trained in trauma with an interest in pelvic and acetabular surgery and periprosthetic fractures.
In addition there is exposure to complex tertiary referral paediatric trauma with Mr Bliss.
Daily business trauma meetings are supplemented by a weekly educational MDT trauma meeting, with monthly journal club and a monthly hospital major trauma MDT review.
These posts offer access to cadaveric simulation training courses at the Newcastle Surgical Training Centre (nstcsurg.org)
In addition to concentrated clinical trauma exposure, trauma research opportunities are available to those interested trainees. There is an active consultant led trauma education programme.
