

T&O Training Post Summary

Trust

Northumbria

Trainer name(s)

Northumbria Arthroplasty 1 & 2 – two posts

Job Summary

Comprehensive experience in hip and knee joint replacement and revision surgery. Opportunity to progress to independent, supervised primary hip arthroplasty, through a posterior approach, using the Exeter Hip system and primary knee using the Nexgen knee.

For senior trainees progressive involvement in revision hip, and to a numerically lesser extent revision knee surgery. Capable, trainees will be performing revision hip surgery, under supervision.

The trainee will form part of the 'Arthroplasty Team' comprising Mssrs Partington, Carluke, Reed, 2 SPRS and a BOA transitional fellow. This team will cross cover inpatient care.

Weekly multidisciplinary Revision Meeting with the team, and Infectious Disease, Microbiology and Infection Surveillance Teams.

Clinical commitments at Wansbeck, North Tyneside and Hexham Hospitals.

Trauma at North Tyneside, on 'Trauma Week' system. Additional training opportunities when other trainees are away within the team.

On call commitment – one in nine at NTGH and WGH.

[Mr Partington](#) is a former 'Regional Trainer of the Year', former Training Programme Director and former SAC member. He is currently an Intercollegiate Examiner for FRCS (T&O).

Ian Carluke is a high volume arthroplasty surgeon with a special interest in the management of bony metastatic disease management (liaison with FRH/ops).

[Mike Reed](#) is Programme Director and outside his clinical practice has an interest in service improvement and research.

Recent trainee comment for this post; 'Relentless Arthroplasty!'.
