

## T&O Training Post Summary

### Trust

City Hospitals Sunderland

### Trainer name(s)

Mr Parvin Bansal  
Mr Imtiyaz Talkhani

### Job Summary

This post offers training from two experienced trainers with a specialist interest in all aspects of paediatric surgery and adult foot and ankle surgery, as well as some soft tissue and arthroplasty knee surgery, and general hand surgery. The post is more suitable for senior trainees with the potential for exposure to not only a wide range of common paediatric and adult orthopaedic pathology, but also complex trauma including Ilizarov and Taylor Spatial Frames.

The unit is a large and busy District General Hospital, with trauma being managed by two Consultants on a trauma week system, allowing the trainee the opportunity to develop an interest and skills in the management of all types of trauma including complex trauma such as spines, pelvic / acetabular fixation reconstruction, and limb reconstruction using ring fixation.

There are daily trauma meetings and weekly educational meetings, with monthly journal clubs. The trainee will be expected to become involved in unit audit and governance meetings, and would be welcome to develop any research interests.
